Surveillance Data Sharing Project

Roadmap for the implementation –

Update SNMC 28th – Abuja 6 – 10 May 2024

N°	Action	Actor	Deadline	Observations	Comments
1	Confirm the number of sensors to be integrated to the ATM systems	ASECNA GCAA NAMA ROBERTS FIR	**15 may 2024**	To make sure all the remote data from the various sensor can be integrated.	Report to the ASECNA and copy to the ICAO secretariat
2	Confirm the availability of the simulators systems to monitor/test the data integrated before sending to the operational position on the ATS screen	ASECNA GCAA NAMA ROBERTS FIR	**15 may 2024**	For monitoring issue	Report to the ASECNA and copy to the ICAO secretariat
3	Preparation of the carriers	ASECNA	**30 may 2024**	− Update and proposal Carriers / Modulation / …. According to the sub-network − Validate the carrier plan with INTELSAT	To submit to each ANSP for check

4	Network addresses plan	ASECNA GCAA NAMA ROBERTS FIR ATM Systems Suppliers	**15 june 2024**	− LAN Addresses plan and Architecture for the ATM systems by location − Indicate the addresses can be used by the Modems and the router (see attach file for each ANSP)	To have a common view on the sub-network.

5	Install the Modems and routers (Installed in the Rack)	ASECNA GCAA NAMA ROBERTS FIR	**Done**	− Installation on the racks and cabling − Locals configurations	Report to ASECNA AERONAV and copy to the ICAO secretariat
6	Safety Case Assessment	ASECNA GCAA NAMA ROBERTS FIR	**31 July 2024**	−	Report to ICAO secretariat
7	Links Set Up and Network Test	ASECNA GCAA NAMA ROBERTS FIR AERONAV	**30 june 2024**	− Site / remote Assistance for each ANSP − Evaluation status of the Network − Development of the evaluation report	Report to ICAO secretariat

#					
8	Data Integration to the ATM System	ASECNA GCAA NAMA ROBERTS FIR ATM Systems Suppliers	**30 September 2024**	− Data Integration to the ATM systems − Data Tuning et Tests from Simulators systems	Report to ICAO secretariat and ASECNA /AERONAV
9	Training of ATCOs	ASECNA GCAA NAMA ROBERTS FIR GCAA to coordinate	**30 September 2024**	− GCAA Develop content (Needs) of the Training of ATCOs − Plan the conduct of the training by each center − Development of the evaluation report	Report to the ICAO Secretariat
10	Training of ATSEPs (second batch)	ASECNA GCAA NAMA ROBERTS FIR ASECNA to coordinate	**30 october 2024**	− GCAA : 4 − NAMA : 6 − ROBERTS FIR : 2 − ASECNA :	
11	Pre – Operational services tests	ASECNA GCAA NAMA ROBERTS FIR ATM Systems Suppliers	**30 october 2024**	− Develop Tests and Evaluation template − Conduct tests from a determine period − reports	Report to ICAO secretariat and AERONAV

12	Coordination Meeting post implementation	ASECNA GCAA NAMA ROBERTS FIR AERONAV	**30 november 2024**	Venue and date to be determine	ICAO secretariat to coordinate
